

Host's rider

EVENT IN ODESSA:

1. Parking

Parking should be as close to the site as possible. In case of absence of free parking space, the organizer / customer pays for the city parking in full.

2. Nutrition

If the event lasts more than 4 hours, the organizer supplies the host and sound engineer (dj) with hot meals, water, tea in the requested volume. Any cuisine (except MEAT FOOD).

OUTDOOR EVENTS:

1. Transfer

CAR: At a distance to the destination city from 30 to 200 km - it is possible to arrive on our own (the customer pays for fuel). In some cases, transportation by car (taxi, minibus) is possible. Conditions are always discussed on a case-by-case basis.

Train. If the travel time is less than 12 hours - compartment, if longer SV.

AIR. Class of service economy. Places with increased space (SPACE +).

Destination city: Transfer to / from airport / hotel / site.

2. Accommodation

Hotel at least 3 * or apartments. Single room (Wi-Fi, safe) if traveling without a sound engineer (dj). The presence of air conditioning at a street temperature above +25, the presence of heating and hot water in the room Required.

3. Nutrition

Meals or per diem - at the discretion of the organizer / customer. Any cuisine (except MEAT FOOD).

ACTIVITIES:

1. Event

The presenter and sound engineer (dj) arrive at the site in advance (time is agreed upon with the organizer in advance). A soundcheck with a sound engineer (dj) before the event is required.

2. Dressing room

Adequate distance to the stage / hall (if possible). Water and tea in requested volume. Hot meals at the site. In the dressing room there should be: iron, ironing board, mirror.

3. Fee

Payment is made according to the scheme: 20% prepayment (in Odessa, before departure) and the remaining amount of 80% - on the day after the event (other options are possible - agreed upon with the organizer in advance).

All issues and force majeure are resolved in a positive way!
